Join the Nur Student Leadership Externship Program at Nur Center for Research and Policy

- Learn Project Management through strategic skills to analyze and evaluate challenges from non-profit organizations using existing frameworks
- Learn about the Logical Framework Analysis, Fundamentals of Impact Assessment, Process Improvements, Community Engagement, Communication Strategy Implementation and Advocacy, in nonprofit organizations
- Take active part in on-going Monitoring and Evaluation activities
- Learn Grant Identification, Proposal Writing and Donor Communication
- Gain Job Readiness skills such as Communication, Public Dealing, Leaderships Skills, Teamwork, Critical Thinking, Problem Solving, Information Technology Application and Career Management
- Receive Coaching and Mentorship directly from development professionals at Nur Center for Research and Policy and Nur-Fatima Memorial System

What is an Externship?

Externships are **temporary job training programs and learning opportunities**. They allow curious students and trainees to get a glimpse into the real-life workplace, often through shadowing an employee, observing a jobsite, or volunteering temporarily.

How to Apply:

To apply, send your CV and Cover Letter explaining why you want to apply for this position, on careers@nurfoundation.org by February 11, 2022.
